**Date: 18/10/2018**

Data Protection Officer: Ian Hampson

## Privacy notice for parents/carers

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about pupils.

We, Northumberland Church of England Academy, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Ian Hampson

## The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about parents includes, but is not restricted to:

- Contact details, contact preferences
- mobile phone number
- email address
- Bank account details
- Photographs
- CCTV images captured in school

## Why we use this data

We use this data to:

- Communicate with parents
- Facilitate easy payment for items such as school meals, trips and school uniform
- Provide appropriate pastoral care

## Our Legal Basis for using this data

We only collect and use parents' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way

Where we have obtained consent to use parents' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent and explain how consent can be withdrawn.

Some of the reasons listed above overlap and there may be several grounds which justify our use of this data.

## **Collecting this information**

While the majority of information we collect about parents is mandatory there is some information that can be provided voluntarily.

Whenever we seek to collect information from you, we make it clear whether providing it is mandatory or optional. If it is mandatory we explain the possible consequences of not complying.

## **How we store this data**

We keep personal information about parents while their children are attending school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our retention schedule sets out how long we keep information about pupils.

## **Data Sharing**

We do not share information about parents with any third party without consent unless the law and our policies allow us to do so. Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about pupils with:

- Our local authority - to meet our legal obligations to share certain information with it, such as safeguarding concerns and exclusions
- The Department for Education
- The pupil's family and representatives
- Educators and examining bodies
- Our regulator - Ofsted
- Suppliers and service providers - to enable them to provide the service we have contracted them for
- Financial organisations
- Central and local government
- Health and social welfare organisations
- Professional advisors and consultants
- Police forces, courts, tribunals

## **Transferring data internationally**

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

## **Parents rights regarding personal information**

Individuals have a right to make a 'subject access request' to gain access to personal information that

the school holds about them. Parents/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 12), or where the child has provided consent.

Parents also have the right to make a subject access request with respect to any personal data the school holds about them.

If you make a subject access request, and if we do hold information about you or your child, we will:

- Give you a description of it
- Tell you why we are holding and processing it and how long we will keep it for
- Explain where we got it from, if not from you or your child
- Tell you who it has been or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances. If you would like to make a request please contact our Data Protection Officer.
