

Hipsburn Primary School

GDPR Privacy Notice Summary Report

Date: 12/07/2025

Data Protection Officer: Wallis Bath

01665 830210

Introduction

Under the General Data Protection Regulations (GDPR), individuals have a right to be informed about how the school uses any personal data that we hold about them. This report provides information on the kinds of personal data we hold as a school and why and how we might use it.

Schools use a variety of personal data as part of their work and we take great care to ensure that this information is kept safe and secure. Personal data includes things like names, addresses and age, information that we need in order to comply with our statutory role in educating pupils.

Most of this data is essential and does not require your consent to use it. Some personal data is not essential and for that, depending on age, we require the consent of either the pupil or parent. An example of the kind of data that needs consent would be using pupil photographs on the school website.

In this GDPR Privacy Notice summary report, you will find a complete list of all the systems the school uses which hold personal data. The report also contains additional information such as what personal data items are held, the legal basis for doing this, along with a description of the system, why the school processes the data and who it is shared with.

If you have any queries about this document or any other issue relating to personal data, please contact the school Data Protection Officer, whose name is on the front of the pack.

Systems included in this report

System Name	Description	Special Category
Accident book	Log of accidents / minor injuries in school	
Accident Report Form	ACC1 form for reporting accidents to NCC	
Assessment Records	Electronic and paper mark books

Owner	Hipsburn Primary School
Description	Language Angels award-winning language teaching resources are designed so every primary school teacher - irrespective of their linguistic ability - can teach the foreign language of their choice. Our experienced team of foreign language teaching specialists have spent thousands of hours over a number of years creating, testing and refining our lessons and resources to bring them to where they are now. We won't rest on our laurels though. We continue to work, adding innovative and exciting new units and resources all the time. By providing a multitude of teaching units (each designed to run for 6 weeks) there are more than enough resources to enable you to teach the language of your choice throughout the whole of your primary school.

System used: Place Leisure- School Swimming Management System	
Owner	Hipsburn Primary School
Description	<p>The SSMS is a digital assessment tool, assessing pupils using Swim England School Swimming and Water Safety Charter. It is matched against the National Curriculum programmes of study and provides schools with termly reports. Reports evidence statistics to unlock Sports Premium funding for further swimming lessons. The product gives Places Leisure an important opportunity to gather national data to report on school swimming and influence national networks. Data gathered will strengthen potential to 'close the gap' for the 30% not yet meeting the standard. The system requires a school pupil data upload containing basic details for pupils swimming each term. Data is automatically uploaded to the Places Leisure School Swim App where school swim instructors assess pupils against Swim England's School Swimming Awards. Schools receive a termly update on pupil attainment for all pupils</p>

	we have the data for.
